To receive a parent partnership card and partnership benefits, you must be the parent of a currently enrolled student within The Atlanta Ballet Centre for Dance Education. If the enrolled student wishes to withdraw, the Partnership will no longer be valid. Parent Partnership members will receive \$10 Adult Open Division classes from the date this form is received by the front desk to the end of the current school year. The participant will receive their own personalized card once this form is filled out and turned in at the front desk of any location. Parents must fill out a new application for each year that their child wishes to be enrolled.

Please read the following carefully.

You will not be permitted to attend classes until this release is received by the Centre.

I am aware that dance training and the stretching exercises associated with it place unusual stress on the body and carry with them the minor risk of injury. On behalf of myself I assume the risk and agree that The Atlanta Ballet Centre for Dance Education shall not be liable in any way for injuries sustained during attendance at the Centre or any of its related functions. It is also understood that dance instruction involves kinetic corrections that may include physically touching the participant as part of regular class work.
